

Welcoming Net Script – Short Form

Pre-net script (run 2 minutes prior)

Two minutes until the Welcoming Net!

This is Name & Call standing by.

Opening Script

Good evening! This is Name & Call, today is Tuesday, Date, and I am your net control operator for this edition of The Welcoming Net.

This net is dedicated to the memory of dB Baker, WA3DB (Silent Key), whose friendly and welcoming presence on these repeaters deeply touched the lives of many. We invite all operators to check in and share their thoughts this evening. If you're new to ham radio and this is your first time on the air, please let us know.

Check out the lakewashingtonhamclub.org website for information about our repeaters, as well as tools for monitoring how long you've been transmitting. Remember the 3-minute timer.

We are ready to start the first round of check-ins, so please come ahead now with your callsign and name.

Closing Script

I'd like to thank all ## members of our community who participated in today's net. It was wonderful to hear from you all and hear what you had to share. Be sure to check out the lakewashingtonhamclub.org website for information about this and other nets hosted here. Finally, I'd like to thank the Lake Washington Ham Club for the use of their repeaters.

This edition of The Welcoming Net is now closed at TIME and the repeaters are returned to normal operations.

73 to all, this is CALL, signing off.
